Exotic Species					
0998 - Sturnus tristis	3 - V3 - Urban & Green	O - Observed Animal	4 - Open grass area	1 - One observation	5 - 5 - Absolutely Certain
Clark Rd		-	-	Anne Pickles	Friday, 23 December 2016
0957 - Columba livia	3 - V3 - Urban & Green	O - Observed Animal	1 - Flying above canopy	2 - Two observations	5 - 5 - Absolutely Certain
Clark Rd		-	-	Anne Pickles	Thursday, 19 July 2012
0957 - Columba livia	3 - V3 - Urban & Green	O - Observed Animal	1 - Flying above canopy	7 - Seven observations	5 - 5 - Absolutely Certain
Clark Rd		-	-	Anne Pickles	Wednesday, 18 July 2012
Insects - Butterflies					
I075 - Vanessa itea	3 - V3 - Urban & Green	O - Observed Animal	3 - Shrub Layer	1 - One observation	5 - 5 - Absolutely Certain
Clark Rd		-	-	Anne Pickles	aturday, 26 November 2016
I028 - Pieris rapae	3 - V3 - Urban & Green	O - Observed Animal	2 - Canopy / tree	4 - Four observations	5 - 5 - Absolutely Certain
Clark Rd		-	-	Anne Pickles	Sunday, 28 April 2013
Mammals					
1129 - Pseudocheirus peregrinus	3 - V3 - Urban & Green	O - Observed Animal	2 - Canopy / tree	2 - Two observations	5 - 5 - Absolutely Certain
Clark Rd		-	-	Anne Pickles	Wednesday, 11 March 2020
In casuarinas.					
1113 - Trichosurus vulpecula	3 - V3 - Urban & Green	K - Dead -unknown cause	4 - Open grass area	1 - One observation	5 - 5 - Absolutely Certain
Holdsworth Street		-	-	Anne Pickles	Monday, 29 October 2018
Large adult. At top of footpath from Kurraba Road.					
1129 - Pseudocheirus peregrinus	3 - V3 - Urban & Green	O - Observed Animal	4 - Open grass area	1 - One observation	5 - 5 - Absolutely Certain
Holdsworth Street		-	-	Anne Pickles	Wednesday, 18 July 2018
0630 hrs. Running across footpath to cross a break in the canopy.

1129 - Pseudocheirus peregrinus	3 - V3 - Urban & Green	O - Observed Animal	3 - Shrub Layer	1 - One observation	5 - 5 - Absolutely Certain
Clark Rd		-	-	Anne Pickles	Thursday, 6 July 2017
In a Grevillea. 0640 HRS.					
1129 - Pseudocheirus peregrinus	3 - V3 - Urban & Green	O - Observed Animal	2 - Canopy / tree	1 - One observation	5 - 5 - Absolutely Certain
Holdsworth St		-	-	Anne Pickles	Thursday, 23 March 2017
1129 - Pseudocheirus peregrinus	3 - V3 - Urban & Green	K - Dead -unknown cause	6 - Forest litter	1 - One observation	5 - 5 - Absolutely Certain
Clark Rd		-	-	Anne Pickles	Monday, 28 November 2016
1834 - Miniopterus schreibersii oceanensi	3 - V3 - Urban & Green	W - Heard call	11 - Parks and ovals	1 - One observation	5 - 5 - Absolutely Certain
Clark Rd		-	-	Leroy Gonsalves	Monday, 26 May 2014
1827 - Tadarida australis australis	3 - V3 - Urban & Green	W - Heard call	3 - Shrub Layer	1 - One observation	5 - 5 - Absolutely Certain
Clark Rd		-	-	Leroy Gonsalves	Monday, 26 May 2014
1129 - Pseudocheirus peregrinus	3 - V3 - Urban & Green	O - Observed Animal	2 - Canopy / tree	1 - One observation	5 - 5 - Absolutely Certain
Kurraba Rd		-	-	Anne Pickles	Monday, 30 July 2012
In fig tree.					
1280 - Pteropus poliocephalus	3 - V3 - Urban & Green	O - Observed Animal	1 - Flying above canopy	1 - One observation	5 - 5 - Absolutely Certain
Clark Rd		-	-	Anne Pickles	Monday, 16 July 2012
Circling over fig trees, 10.15 Hrs.					
1280 - Pteropus poliocephalus	3 - V3 - Urban & Green	O - Observed Animal	1 - Flying above canopy	3 - Three observations	5 - 5 - Absolutely Certain
Clark Rd		-	-	Anne Pickles	Saturday, 19 February 2011

Reptiles

2693 - Pseudechis porphyriacus	3 - V3 - Urban & Green	O - Observed Animal	6 - Forest litter	1 - One observation	5 - 5 - Absolutely Certain
Kurraba Rd		-	-	Parks & Gardens	Tuesday, 17 January 2012

Birds - Pigeons / Doves

0043 - Ocyphaps lophotes	3 - V3 - Urban & Green	O - Observed Animal	4 - Open grass area	1 - One observation	5 - 5 - Absolutely Certain
Clark Rd		-	-	Anne Pickles	Sunday, 7 September 2014

0043 - Ocyphaps lophotes	3 - V3 - Urban & Green	O - Observed Animal	3 - Shrub Layer	1 - One observation	5 - 5 - Absolutely Certain
Kurraba Rd		-	-	Anne Pickles	uesday, 27 December 2011
0043 - Ocyphaps lophotes	3 - V3 - Urban & Green	O - Observed Animal	11 - Parks and ovals	5 - Five observations	5 - 5 - Absolutely Certain
Kurraba Rd		-	-	Ramin Khosravi	unday, 19 September 2010

Birds - Fishing / Water

0097 - Phalacrocorax sulcirostris	3 - V3 - Urban & Green	O - Observed Animal	8 - Aquatic / marine enviro	3 - Three observations	5 - 5 - Absolutely Certain
Clark Rd		-	-	Anne Pickles	Friday, 27 March 2020
0204 - Dendrocygna arcuata	3 - V3 - Urban & Green	O - Observed Animal	4 - Open grass area	2 - Two observations	5 - 5 - Absolutely Certain
Clark Rd		-	-	Anne Pickles	Thursday, 30 January 2020
Male and female eating grass seeds.					
0106 - Pelecanus conspicillatus	3 - V3 - Urban & Green	O - Observed Animal	8 - Aquatic / marine enviro	1 - One observation	5 - 5 - Absolutely Certain
Holdsworth Street		-	-	Anne Pickles	Tuesday, 2 July 2019
0097 - Phalacrocorax sulcirostris	3 - V3 - Urban & Green	O - Observed Animal	8 - Aquatic / marine enviro	2 - Two observations	5 - 5 - Absolutely Certain
Holdsworth Street		-	-	Anne Pickles	Sunday, 3 March 2019
Fishing.					
0125 - Chroicocephalus novaehollandiae	3 - V3 - Urban & Green	O - Observed Animal	8 - Aquatic / marine enviro	3 - Three observations	5 - 5 - Absolutely Certain
Holdsworth Street		-	-	Anne Pickles	Sunday, 3 March 2019
Harassing cormorants.					
0097 - Phalacrocorax sulcirostris	3 - V3 - Urban & Green	O - Observed Animal	8 - Aquatic / marine enviro	4 - Four observations	5 - 5 - Absolutely Certain
Holdsworth Street		-	-	Anne Pickles	Tuesday, 5 February 2019
0133 - Vanellus miles	3 - V3 - Urban & Green	O - Observed Animal	4 - Open grass area	2 - Two observations	5 - 5 - Absolutely Certain
Holdsworth Street		-	-	Anne Pickles	Sunday, 3 February 2019
0125 - Chroicocephalus novaehollandiae	3 - V3 - Urban & Green	O - Observed Animal	8 - Aquatic / marine enviro	2 - Two observations	5 - 5 - Absolutely Certain
Holdsworth Street		-	-	Anne Pickles	Sunday, 11 November 2018
0125 - Chroicocephalus novaehollandiae	3 - V3 - Urban & Green	O - Observed Animal	12 - Within or on building	1 - One observation	5 - 5 - Absolutely Certain
Holdsworth Street		-	-	Anne Pickles	Monday, 29 October 2018
